

The Nelson Local Care Centre

A modern NHS facility providing integrated care for the local community

First class healthcare provided in a 21st century environment in Merton

The Nelson Local Care Centre will be a spacious and modern building allowing more people to be seen, diagnosed and treated in a convenient place close to home.

What services will be available?

- Two GP practices, Cannon Hill Lane Medical Practice and Church Lane Practice, will be relocating there
- Outpatient appointments
- Minor surgery and procedures
- X-ray, ultrasound and blood tests
- Physiotherapy
- Pharmacy services
- A range community mental health services.

The building will be open from 08.00 to 20.00 Monday to Friday and 08.00 to 14.00 on Saturdays.

right care
right place
right time
right outcome

Where is the Nelson Local Care Centre?

It is on Kingston Road, Wimbledon Chase SW20 8DB, on the site of the former Nelson Hospital.

When can I start using it?

It will be open in Spring 2015. Work began in summer 2013. Rapid progress is being made on its development. Some service providers have already been chosen and others will be finalised by October 2014.

What is new and different about the Nelson Local Care Centre?

We are bringing together more services in a new and modern community based facility so that you only go to hospital when it is necessary and appropriate.

How is the Nelson Local Care Centre funded?

The Nelson Local Care Centre is being funded through a NHS Local Improvement Finance Trust (LIFT), a Private Public Partnership which has been developed with South London Health Partnerships Ltd (SLHP).
