

What would make it easier for you to get a doctor's appointment?

8:00

8:00

Did you know that you can now get a later or weekend appointment with your doctor? Do you think that would change the time you go for your appointment?

Do you feel involved in the planning of your care? If not, what would make it better?

Are you supported to live a healthy & happy life? What other

	<p>support would you like?</p>	
 <p>Minor Injuries Unit &amp; Urgent Care Centre</p> <p>© PAGE ONE</p>	<p>Do you know what an urgent care centre is? If yes, have you ever been to one? If no, do you know what they can be used for?</p>	
	<p>When do you think the right time is to go to A&amp;E? Have you ever been? Why? Was it a good/bad experience?</p>
